

Due to the resurfacing project,
**Seeger Dog Park will be temporarily closed
from May 14th to May 18th**
We hope to reopen the park on May 19th.

However, closure may be extended if work is delayed due to weather.
We will communicate the date the dog park will be reopened the week of May
14th.

My apologies for any inconveniences.

Segeer is repairing, resurfacing, and repainting our Tennis Courts in early July (no Arthur Ashe program at Segeer this summer). The work should take about a week, if weather permits.

This work on the courts is a very long time in coming and should provide safe and better playable surfaces for us all.

The reservation membership cost has increased \$5 to \$35 to help defray the \$20,000 cost of this project.

"Fighting Childhood Obesity One Multi-Sport at a Time" (TriYouthalon's Mission and Mantra)

We organize and provide triathlons for kids in Philadelphia. TriYouthalon™ events use the city's many parks and public pools. TriYouthalon's triathlon events are designed for athletes aged 7+ while other races are available for aged 3 & up. Triathlons build confidence and increase self-sufficiency.

The race distances are age-appropriate: 75 yard swim, 2.5 mile bike, and ½ mile run (estimates). It is good for racers to work on the skills needed for each portion of the course.

Important Triathlete training tools

- Swim teams and/or swim lessons
- Biking with family & friends on fun rides
- Running the bases, the soccer/football field, the basketball court (and other sports) and racing friends around the playground
-

TriYouthalon™ has 3 events planned in the city for 2012, including a triathlon for teens 15 - adults of any age:

1. **Pennypack Park City Super Sprint Triathlon & Duathlon** (Ages 15 to adult) **Saturday, May 19, 2012**
2. **Annual Fairmount Park Youth Triathlon & Duathlon** (Ages 7-16) **Saturday, July 21, 2012**
3. **Cobbs Creek Park Youth Triathlon & Duathlon** (Ages 7-16) **Saturday, August 11, 2012**
